## A Message from Fr. Pat

An area as a parish we would like to start being more active in, is reaching out to the sick and homebound members of our parish. Currently we deliver communion to a handful of homebound parishioners, I would like to increase that number, but we need help in identifying those individuals for us to visit. You can see we also have a prayer list in the bulletin. Some of the names have been there for a long time, and we want to do a better job of keeping track of these individuals, and how we can possibly help them.

So, I would like everyone to think of parishioners or family member that need prayers or would benefit from a home visit, or maybe a Mass said for them, and give Marge their information. Also, if you know someone on the prayer list in the bulletin, call Marge and let her know how they are doing.

We are relying on our parishioners to help us find out about other parishioners in need, we will not know if someone is in need of prayer or a visit, unless you call the office and let us know.

Praying you have a blessed week.

Fr. Pat
