

Black Catholic History Month

Established in 1990, Black Catholic History Month was initiated by the National Black Catholic Clergy Caucus of the United States. November was chosen because it holds two commemorative dates for prominent African Catholics: St. Augustine of Hippo, whose birthday is Nov. 13; and St. Martin de Porres, whose feast day is Nov. 3. This observance recognizes the long history and proud heritage of Black Catholics.

You Are God's Building

"Brothers and sisters: You are God's building. According to the grace of God given to me, like a wise master builder I laid a foundation, and another is building upon it. But each one must be careful how he builds upon it, for no one can lay a foundation other than the one that is there, namely, Jesus Christ. Do you not know that you are the temple of God, and that the Spirit of God dwells in you? If anyone destroys God's temple, God will destroy that person; for the temple of God, which you are, is holy."

The building is not static. Think "verb." You are God's building. You are ever becoming holy by the Spirit of God. You are God's building.

Petition:

That we may be made holy as God's building, we pray...
